

Country Patchworks Creative Sewing Center^{LLC}

A "UFO" (Un · Finished · Object)

is any project that you have laying around your house in a state of "un-finished-ness." We all have UFOs around the house and in the backs of drawers.

Let's dig them out and finish those projects! Examples of UFOs:

- Those pants you always meant to hem but didn't
- The quilt that got cut out but never quilted
- That pillow you embroidered but never stuffed
- The dress pattern you bought for your granddaughter but never started

How to participate: Fill out your list of UFOs and bring it in to Country Patchworks starting January 15, 2016. For every project on your list that you finish and bring it in to share with us, you'll put \$1.00 in your envelope and Country Patchworks will match that dollar. At the end of the year, you'll get a credit for the total amount in your envelope. **There will also be BONUS OPPORTUNITIES throughout the year posted on our website and Facebook! Use as many sheets as you can fill!**
